## **School Breakfast Information**

**Serving Time:** 7:40 a.m. **Price:** Free

No advance registration necessary! All students are welcome every day!

Mornings can be really crazy! The alarm doesn't go off, the kids don't want to get up, there's no time to eat breakfast before the bus comes or they're just not ready to eat. If this sounds like your house, we have good news for you.

Breakfast is available at school! Take advantage of this option to ensure your child eats a nutritious breakfast. Recent studies show a link between nutrition and learning. A nutritious breakfast helps students be more alert so they can actively participate in class.

**ALA CARTE PROGRAM:** Chartwells offers the "Balanced Choices" program with 50% or more of its ala carte items being a healthier alternative. These items include baked chips, reduced fat ice cream, fresh fruit, etc.

**Parents/Guardian MUST complete a new application for the free/reduced breakfast and lunch program at the beginning of each school year, and be approved, to be eligible for this school year.** Please complete the new application and return it to the school as soon as possible. Applications are available at the school office. Students approved last year will remain approved at their current status until October 1, 2010. Students who do not have a new, approved application on file after October 1, 2010 will be removed from the program.
